To Whom It May Concern,

Re: Letter of Support for Original Tribes – Jason Davidson Hampton

I am writing in strong support of Jason and his application for the Aboriginal Business Grant. As the owner and operator of Litchfield VIP Tours, I have had the pleasure of working with Jason around 3 years as a trusted subcontracted Tour Operator.

Jason Hampton has been essential to the success of our Litchfield National Park tours, expertly guiding groups of up to 11 passengers four to five times per week. His deep knowledge of the area—including Berry Springs, Wangi Falls, Florence Falls, Buley Rockhole, and the Magnetic Termite Mounds—coupled with his exceptional storytelling, consistently earns outstanding feedback from our guests and glowing reviews on TripAdvisor.

Demonstrating his versatility and commitment to high-end tourism, Jason has also completed specialized training to operate our Porsche Luxury Private Tour vehicle. He has been promoted to lead these exclusive experiences, showcasing his professionalism, adaptability, and ability to deliver premium service.

What sets Jason apart is not only his professionalism and around four years of guiding experience, but also his deep Aboriginal heritage and authentic connection to Country. His first hand bush experience—from hunting and fishing to interpreting the land—enriches the tour with stories and insights that only a local Traditional guide can provide. He also brings creative flair to his work, often sharing his own artistic skills, souvenirs and cultural knowledge with passengers in a respectful and engaging way.

Jason has demonstrated strong business initiative, reliability, and a clear dedication to delivering high-quality, culturally meaningful tourism experiences. I am confident that with his own vehicle, he will successfully transition into operating his own tours, continue in business networking, creating valuable local jobs, possibly with One Mile Dam Community as a example and offering visitors an authentic, inspiring alternative in the Northern Territory's tourism sector.

I wholeheartedly endorse Jason Davidson Hampton and his vision for Original Tribes Tours. Should you require any further information, please do not hesitate to contact me.

Sincerely
Daryl Hines
